

March 12, 2019

Dear Colleagues,

March 8, 2019 marked the end of our Spring 1, 2019 classes. As you finalize your grades, please note the Office of the Registrar has announced web grading is now open through Connections. (NOTE: Grades entered into Canvas do not transfer to Connections.)

All grades are due on Friday, March 15, 2019 per the academic calendar. In light of the U.S. campuses being closed on Friday, March 15, 2019, the Registrar has extended the deadline to Sunday, March 17, 2019, at 11:59 p.m.

Please take note of this important deadline. Grades not entered into Connections by March 17, 2019 will jeopardize student progress and potential financial aid.

Sincerely,

The Office of Academic Affairs
